

**REMARKS**

This Amendment is responsive to the Official Action mailed on June 27, 2007. The Office Action rejected claims 1-19 under 35 U.S.C. 101 as these claims have previously been prosecuted and allowed in the parent of the present application, US Patent Number 6,839,281. These claims are now being replaced with new claims 20-37, which are claims of similar scope.

Consideration of new claims 20-37 and an early indication of their allowance are earnestly requested.

Respectfully submitted,
